Labor Day:

Due to the ongoing construction project, the annual Advance Labor Day Festival will not be held.

Social Media:

We post alerts on through a plethora of ways (Town chatter, REACH Alert, the Town's website, and notices

at the Town Hall, Post Office and Fire Department) in order to try and keep you informed.

At some point we may start a page for the Town Hall, but currently we do not have one. Until that time, please do not contact us on our private social media accounts for business related matters. You may call the office during office hours, leave a message when the office is closed or we are on the other line, or send emails to the addresses at the bottom of this page.
