2019 Tags:

Its that time of year again folks.

Pet Tags are in. This year we purchased one universal pet tag instead of having separate tags for dogs and cats. The cost is the same, \$5.00 per pet, with a \$15 cap on each household - so after three pets, the rest are at no cost.

The golf cart tags are also in. The cost is the same as previous years; \$30 per cart per year.

Please make sure you are diligent in taking care of these things so you don't incur fines as a result of code enforcement.

Weather:

Keep in mind that the weather we have had recently will more than likely cause your utility bill to go up. There are several things that could factor into this:

- ◆ Thermostat
- ◆ Using Space heaters
- ◆ Insulation
- ◆ Are your windows drafty?
- ◆ Does your furnace need serviced?
- ◆ Are your appliance energy efficient.?

"Staying positive does not mean that things will turn out okay. Rather it is knowing that you will be okay no matter how things turn out"
