Message from President

Johnson:

The Town Council would like to wish everyone a Happy New Year!! We are excited to see what 2019 is going to bring to the Town of Advance. One goal the Council has is to concentrate on adhering to the Town ordinances by focusing on cleaning up properties. I encourage everyone to re-view the Town ordinances and make sure that the Town Ordinances are being followed. The Council and the Town Marshal will be reviewing properties and sending out letters to ensure compliance. Please help us in our efforts to make Advance beautiful

Its that time of year again folks.

Pet Tags are in. This year we purchased one universal pet tag instead of having separate tags for dogs and cats. The cost is the same, \$5.00 per pet, with a \$15 cap on each household - so after three pets, the rest are at no cost.

The golf cart tags are due to be in around the 20th of January. Those of you that have inquired about these already this year will be contacted if they come in earlier than expected. The cost is the same as previous years; \$30 per cart per year.

Billing Reminder:

If your utility payment is made after the 20th of the month, the late fee should be included in the amount. Back dating checks does not excuse the late fee. Payments are processed immediately the date we receive them, not for the date that appears on the check. We do check the drop box several

times every day. Legally, post-dated checks cannot be accepted.

If you pay your bill online through your bank, make sure you leave enough time for the bank to get the payment to us in the mail before the due date.
